BACKGROUND AND/OR EXPERIENCE (Business and/or Personal):

I have done design and construction work since graduating from high school in 1972. I have worked on planning subdivisions and infill projects and have built several of those projects as well. I have served on the board of appeals and the board of adjustment in Salida.

I enjoy gardening in our yard and in our seriously over designed green house.
I like to fish when I can and enjoy happy hour occasionally. I think I am a simple and practical person.
