Subject: Airport Board

Hello,

I recently heard the county was looking to fill positions on the Airport Board. When I went online I saw the deadline was January 2 so I realize I may be responding too late.

My name is Rob Dubin.

I own an aircraft hangared at the airport and have been involved in aviation as a private pilot for over 20 years. For a short time I also owned a business importing aircraft from Europe to the US.

I've lived in Salida for 2 years and owned property in Chaffee county since 2008. I'm a Colorado native and have been coming to Chaffee county since the 1960's and spent several summers here in the early 70's.

Since 1976 I've owned a film production company in Denver and have made films and TV programs throughout the world for the networks and many Fortune 500 clients. I am now retired.

I've served on the boards of: The Colorado Mountain Club - Denver Junior Group, Denver Advertising Federation Ad2 group, Two terms as President of the Colorado Film and Video Association and one term as a Colorado representative to the national Association of Independent Commercial Producers.

If you still have positions on the board please let me know or if the positions are filled please keep my name on your list for the future.

Sincerely,

Rob Dubin
