

Irrigation Credit Request Form

Salida Municipal Code Section 13-3-30(c)(8) allows the Billing Department to issue a credit to commercial/industrial customers for water used to irrigate large vegetated areas. The credit is determined by the Billing Department based on historical usage patterns and irrigation practices to estimate the volume of water usage requiring wastewater treatment. Seasonality of businesses is considered. This form must be completed and approved to document all billing adjustments. Explain any special circumstances below.

Requirements:

Requests for an irrigation credit must be received by the City of Salida Utilities no later than **15 days before the end of 2nd and 3rd quarter** billing cycles (April – June and July – September 30).
