**SALIDA REGIONAL PLANNING COMMISSION
AGENDA
MARCH 17, 2010
6 pm City of Salida Council Chambers
125 E. 3rd Street**

Update

The Salida Regional Planning Commission is required to meet under the IGA at least once every three months. Over the past three months there have not been any development applications for the review of the Salida Regional Planning Commission.

During March's monthly meeting, we will discuss the election of officers, discuss the possible creation of bylaws and discuss the prioritization of future projects that the Regional Planning Commission would like to take on.

Both the Salida Planning Commission and Chaffee County Planning Commission are currently involved in updates to the Comprehensive Plan and Land Use Code respectively. These projects are requiring a large dedication of time from both Planning Commissions. Upon the completion of these projects, the Salida Regional Planning Commission will be able to take on new projects.
