Re: 9/18/17 Council Worksession – Bicycles and Skateboards on Downtown Sidewalks & Dogs in Parks

Following is the current Code on Bicycles and Skateboards on the downtown sidewalks

Sec. 8-2-30. - Bicycles on sidewalks prohibited.

• No person shall operate a bicycle of any nature or kind upon sidewalks located within that part of the City bounded by the following lines: the centerline of Sackett Avenue between "E" Street and the Monarch Spur Trail; the centerline of "E" Street extending northeasterly from 4th Street to the centerline of Sackett Avenue; the centerline of "F" Street extending northeasterly from Sackett Avenue to the Arkansas River; the centerline of 4th Street between the centerlines of "E" and "H" Streets; the centerline of "H" Street projected northeasterly to the Monarch Spur Trail; and the Monarch Spur Trail between its conjunction with the projected centerline of "H" Street and the Arkansas River. This Section takes precedence over Section 1412 of Article I of the Model Traffic Code as adopted in Article I of this Chapter, insofar as it conflicts therewith. When any person is convicted of violating this Section, the Municipal Court shall impose upon said person a penalty assessment in the amount of fifteen dollars (\$15.00) to one hundred dollars (\$100.00).

• Sec. 8-2-40. - Use of skating devices prohibited.

(a) As used in this Section, the term skating device refers to skateboards, roller skates, roller blades, human-powered scooters and all nature and variety of human transportation devices of a similar type.

(b) As used in this Section, the term skating limits refers to the area within the City bounded by the following lines: the Arkansas River; the centerline of "E" Street extended northeasterly to the Arkansas River; the centerline of 4th Street between the center lines

of "E" and "H" Streets; the centerline of "H" Street extended northeasterly to the centerline of the "Railroad Reservation" as shown on the plat maps of the City; and the centerline of said Railroad Reservation between its conjunction with the projected centerline of "H" Street and the Arkansas River.

(c) No person shall travel in, upon or by the assistance of any skating device upon any sidewalk or parkway within the skating limits, and any person convicted by the Municipal Court of doing so shall be punished by the Municipal Court imposing upon said person a penalty assessment in the amount of fifteen dollars (\$15.00) to one hundred dollars (\$100.00), as may be amended from time to time.

Staff is also seeking direction on a similar issue with regulations against dogs in parks which is not routinely being enforced.

Re: 9/18/17 Council Worksession – Proposed Cost Sharing for Housing Office

Following is the information which was presented at the Intergovernmental meeting on August 29th for cost sharing in a Housing Office funded at \$125,000 or at \$150,000. My understanding the costs would be for personnel costs (wages, benefits, travel etc) for a Director with the County providing the office space.

Housing Office Costs						
			At	\$125,000	At	\$150,000
Cfhaffee County Share at 75%				\$93,750		\$112,500
Municipalities share at 25%				\$31,250		\$37,500
Municipalities Split	Population	%				
Salida	5,462	60.72%		\$18,976		\$22,771
Buena Vista	2,759	30.67%		\$9,585		\$11,502
Poncha Springs	<u>774</u>	<u>8.60%</u>	-	<u>\$2,689</u>	-	<u>\$3,227</u>
Total	8,995	100.00%		\$31,250		\$37,500
