August 24th Fireworks and Road Closure Scheduled

Salida, CO – The City of Salida Fire Department has scheduled a full fireworks display on Saturday, August 24, 2019 for the Salida JazzFest. Safety is a priority for all involved, and in accordance, Spiral Drive on Tenderfoot Mountain will be closed at the gate to ALL traffic—vehicle, bike, walking, etc.—starting Friday evening, August 23 through Sunday, August 25 at noon. Please be aware that biking trails crossing Spiral Drive on Tenderfoot will be closed as well to ensure the safety of all involved.

The fireworks will commence at full dark on Saturday, which is approximately 9:00 p.m.

Salida Fire would like to stress that fireworks can be very upsetting for pets, especially dogs. Please be sure to secure your pets during the fireworks show.

Salida Fire thanks all in advance for their consideration and patience with closures, and support of the Salida JazzFest fireworks.

For more information contact Dan Distel, Salida Fire Department at 719.539.2212.
