Salida Officials Condemn Unauthorized Use of City Logo on Campaign Flyer

Salida, CO— Salida officials today strongly condemned the unauthorized use of the City’s logo on an anonymous campaign flyer recently mailed to local voters. The flyer urges voters to support Ballot Issue E, which concerns transfer of marijuana licenses.

“We condemn this deplorable behavior in our election,” said Mayor Pro Tem Cheryl Brown-Kovacic, “They stole our logo and apparently recognizing that was wrong chose to conceal their identify from voters.”

Contrary to the impression given, the flyer did not come from the City and the City of Salida has no official position on Ballot Question No. E.
