

NOTICE

Social distancing of 6 feet with non-family members is necessary during outdoor recreation.

- Please do not congregate in crowds (adults and/or children).
- Please recreate with your immediate family only.
- Please maintain at least a 6 foot distance with all non-family members. This includes at parks, paved trails, dirt trails, on bikes, while walking, etc.
- Children are advised to not congregate together outdoors.
- Families are advised to avoid playground equipment and other high touch areas as the virus can live on these surfaces.

Getting outside is important for our physical and mental health during a time like this. Please follow these guidelines so that we keep everyone safe and do not lose this privilege
